

RESOURCE

OROCAN

Orocan Resource Corp. provides access to a team of global mining professionals with expertise in all areas of; exploration, development, production, and finance. Our company is well positioned to leverage this exceptional range of experience to identify, acquire, and develop resource properties with world-class potential.

Key People

Alan Hitchborn, President & Director

Mr. Hitchborn has over 28 years of experience in exploration, development, and production. His past successes include 9 years at Placer Dome Inc.'s Bald Mountain Mine in Nevada, where his team added 3,000,000 ounces of gold in reserves and resources at a cash cost of less than US\$5.00/ounce. Additionally, another team managed by Mr. Hitchborn was responsible for the discovery and development of 2,000,000 gold equivalent ounces at the Monterde gold-silver deposit in Chihuahua, Mexico (TSX listed Kimber Resources Ltd).

Chris Bogart, Vice-President, Corporate Development, Director

Mr. Bogart has been involved in the resource sector for over 10 years. Currently, President of Metal Management Corp., Mr. Bogart provides strategic consulting, financing and corporate development services to the resource industry.

Bruno Barde, Vice-President Exploration

Mr. Barde received his BSc. Geology in 1978 and a Master Degree in Geology in 1981, both from the University of Geneva, Switzerland. Mr. Barde has over twenty years experience in the management of large mineral exploration programs in Europe, North and South America. Previously he was VP of Exploration for National Gold Corp., and participated in the scoping study of the Mulatos Project, Mr. Barde served in various senior management capacities with Placer Dome Inc., including President of Placer Dome de Venezuela where he participated in the planning of the Las Cristinas deposit. He is fluent in English, French and Spanish.

Michael Philpot, Director

Mr. Philpot is a graduate of the University of British Columbia (BSc Geology) and holds an MBA from the City University of Vancouver. He has over 28 years of experience in the mining industry, including four years in Chile. Prior to co-founding Coro, Mr. Philpot held various executive positions with First Quantum Minerals Ltd., including Vice-President of Administration and Corporate Secretary.

Patrick Downey

Mr. Downey brings over 25 years experience in the natural resource sector with extensive development and operations experience throughout the world, with a focus on South America. Currently he is President and CEO of TSX listed Aura Gold Inc. Most recently he served as President and CEO for Viceroy Exploration Ltd. prior to its acquisition by Yamana Gold. He was also President of Oliver Gold Ltd. where he successfully negotiated the merger to form Canico Ltd., which acquired the Onca Puma Nickel project in Brazil and was recently purchased by CVRD and is now in development.

Craig Schneider

Mr. Schneider is the President & CEO of Corex Gold Corp., a TSX.v listed gold exploration company with active operations in Mexico. Mr. Schneider is also a Director of Magnum Uranium a TSX.v listed uranium exploration and development company. Mr. Schneider has in excess of 12 years experience managing, developing and financing junior resource exploration companies.

Terese J. Gieselman, Chief Financial Officer

Terese J. Gieselman has extensive experience with junior mining companies in role of corporate secretary, compliance, regulatory filings and financings.
